	Issue of clarification	GoU Responses
01	We refer to Section II Bid Data sheet ITB 34.3 (page 26 of bidding document) requirement of documents for Margin of Preference, please note the ITB 34.3 refer to ITB 34.2 (page 19 & 20 of bidding document) for the same, but we have noted that ITB 34.2 has no list documents mentioned there, thus we kindly request you to review the same and advise on it.	Refer to ITB 34.2 notes on pages 19-20, read in combination with Section 3 of the eligibility criteria; 3.1, 3.2 (a – i) on pages 27 and 28 of the bidding document.
02	We refer to Section 4 Bidding Forms (page 50, 51 & 52 of bidding document), please note we have to challenges in this form first one is the signature part which do not meets the requirement as per the registrar of company where the POA has to be registered and second in JV POA there is no provision to write the Name of person to whom the POA is given and the signature part which do not meets the requirement as per the registrar of company, Thus please clarify on the same.	Bidders should ensure that their Powers of Attorney meet the requirements of the Registrar of Companies and that all required information as per the bidding forms provided.
03	We refer to Section 3 Evaluation Methodology and criteria (page 29 of Bidding Document) item no. h, Bidders shall be required to provide evidence of liquidity of not less than UGX 30,000,000,000 (Uganda Shilling Thirty Billion Only) in form of line of credit from a recognized financial institution, but if the bidder do not need such facility what can be the alternative for the same?	This is the requirement and Bidders are advised to comply.

<p><b>04</b></p>	<p>We refer to Pre-bid meeting and request you to please advise when we can receive the AutoCAD version of site survey drawing</p>	<p>We are unable to provide bidders with the Auto CAD version of the site survey drawing. Please refer to page 94; section 4.3.1, which requires the best evaluated bidder to carry out further cadastral or topography surveys to confirm the boundaries.</p>
<p><b>05</b></p>	<p>Please advise on below request for Survey drawing as from Google we can only get view but not angles for the plots.</p>	<p>We are unable to provide more information regarding the site survey drawing. Please refer to page 94; section 4.3.1, which requires the best evaluated bidder to carry out further cadastral or topography surveys to confirm the boundaries.</p>
<p><b>06</b></p>	<p>There is also a need for 200 cars and we can only get 33 per level so are we to design 6 basements or we have to use a stacking parking system?</p>	<p>Parking space is required for a minimum 200 vehicles. This is the requirement and bidders are advised to provide proposals that comply.</p>
